

Disclaimer of warranty and liability

IMPCO Technologies Sarl makes no representation as to the suitability of the information contained in the documents published on this server for any particular purpose. All such documents are provided “as-is” without warranty of any kind. IMPCO Technologies Sarl disclaims all express or implied warranties and conditions of any kind with regard to this information, including all implied warranties (whether implied by statute, common law, trade usage or otherwise), and expressly disclaims the implied warranties of merchantability or fitness for a particular purpose. In no event shall IMPCO Technologies Sarl be liable for incidental and/or consequential damages including loss of income or profits, loss of time, lost sales or economic loss. Arising out of or in connection with the use of, or consequences involving the use of, any information published on this server.

Timeliness of published information

Inherent to the nature of publishing information on a website, IMPCO Technologies Sarl cannot give prior notice of changes or updates all such published information, including these conditions of website use, are subject to such changes and updates, and you are encouraged to review these conditions of website use on each visit to this website.

Website links

Links to third party websites are provided for your convenience only. Such links are not under the control of EControls Europe, are not by implication or otherwise endorsed by IMPCO Technologies Sarl, and information published on such websites is not the responsibility of IMPCO Technologies Sarl.

Intellectual property issues

Certain products named or otherwise referenced on this website are protected by ec rules and foreign patents or patent applications. Nothing contained on this website shall be construed as a grant of any license or other right to or under any patent, trademark, copyright, or other IMPCO Technologies Sarl or third party intellectual property right.

You should not communicate or otherwise transmit material containing ideas, inventions, concepts, or know-how to IMPCO Technologies Sarl, using the e-mail links found on this website or otherwise, except on the basis that such material is non-proprietary and non-confidential and as such that IMPCO Technologies Sarl is free to use such materials as it sees fit and for any purpose what’s ever, including developing, manufacturing, and marketing products and services.

Notice regarding documents

IMPCO Technologies Sarl grants permission to use “documents”* (for example news releases, product specifications, or other publications) from this server provided that the copyright notice

below and the statement: “used with the permission of the IMPCO Technologies Sarl” appears in copies,

Use of such documents is for informational and non-commercial or purposes only and will not be copied or posted on any network computer, broadcast in any media or otherwise published, and no modification(s) of any document is/are made, including, without limitation, deleting any portion of a document.

Permission is granted for use of product specifications and other product information for the sole and limited purpose of the consideration and selection for purchase of appropriate IMPCO products.

Use for any other purpose is expressly prohibited by law, and may result in severe civil and criminal penalties. Violators will be prosecuted to the maximum extent possible.

*documents specified above do not include the design or layout of the IMPCO Technologies Sarl website. Aspects of such website are protected by trade dress and other laws and may not be copied or imitated in whole or in part. No logo, graphic, or image from this website may be copied or re-transmitted without the express written permission of IMPCO Technologies Sarl.
